MONTASIR ISLAM

JUNIOR DEVELOPER | REACT.JS & NEXT.JS

Bangladesh • +880 1616-581120 • montasir.dev@gmail.com
Portfolio: montasir-dev.vercel.app • GitHub: github.com/Montasir180

PROFESSIONAL SUMMARY

Junior developer focused on building responsive, user-friendly web interfaces with React.js and Next.js. Practical project experience with component-based UI, Tailwind CSS, REST API integration, and interactive design. Seeking a junior developer role or internship to contribute to real products and grow within an engineering team.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, React.js, Next.js

Styling & UI: Tailwind CSS, responsive web design, CSS animations, reusable components

Tools & Integration: Git, GitHub, REST API integration

SELECTED PROJECTS

Montasir.Dev — Personal Portfolio | Next.js, React, JavaScript, Tailwind CSS

Created a personal portfolio to present projects, technical skills, profile, and contact information.

Focused on responsive layouts, interactive elements, and polished animated UI.

BazarDor — Grocery Platform | Next.js / Web Development

Developed a grocery-focused web project with product presentation and price-related information.

Project stack and feature details should match the deployed version and repository.

NextLearn — Web Project | Web Development

Deployed web project demonstrating practical web development; add a concise verified feature description when available.

CERTIFICATION

Responsive Web Design Developer Certification | freeCodeCamp | October 14, 2026
